**LESSON 7·10**

Identifying Fractions on a Number Line

Label each number line with the correct fractions.

1.

2.

3.

4. Draw and label the following points on this number line. The first one is done for you.
A: $1\frac{2}{4}$ B: $\frac{1}{4}$ C: $\frac{4}{4}$ D: $\frac{8}{4}$ E: $2\frac{3}{4}$

5. Jay, Kay, and Mae are in a 3-mile walk-a-thon. So far, Jay has walked $\frac{3}{4}$ mi, Kay has walked $1\frac{1}{2}$ mi, and Mae has walked $\frac{5}{2}$ mi. Draw and label points on the number line below to show their approximate locations.
